

DO YOU USE A METAL PAINT SCRAPER ?

DO YOUR PANS GET SCRATCHED ?

Here is the all new formulated 4 inch Oil scraper from ASAP/Bitterling.

The scraper is made from a specially formulated plastic, with a temperature rating of 240c.

The scraper also has a nice smooth bladed edge so scratching the bottom of your pans will be a thing of the past

For more information why not give us a call.

Telephone: ASAP (**Bitterling**) on - 0115 9791116 or 0115 9862934
